## NOSTALGIE

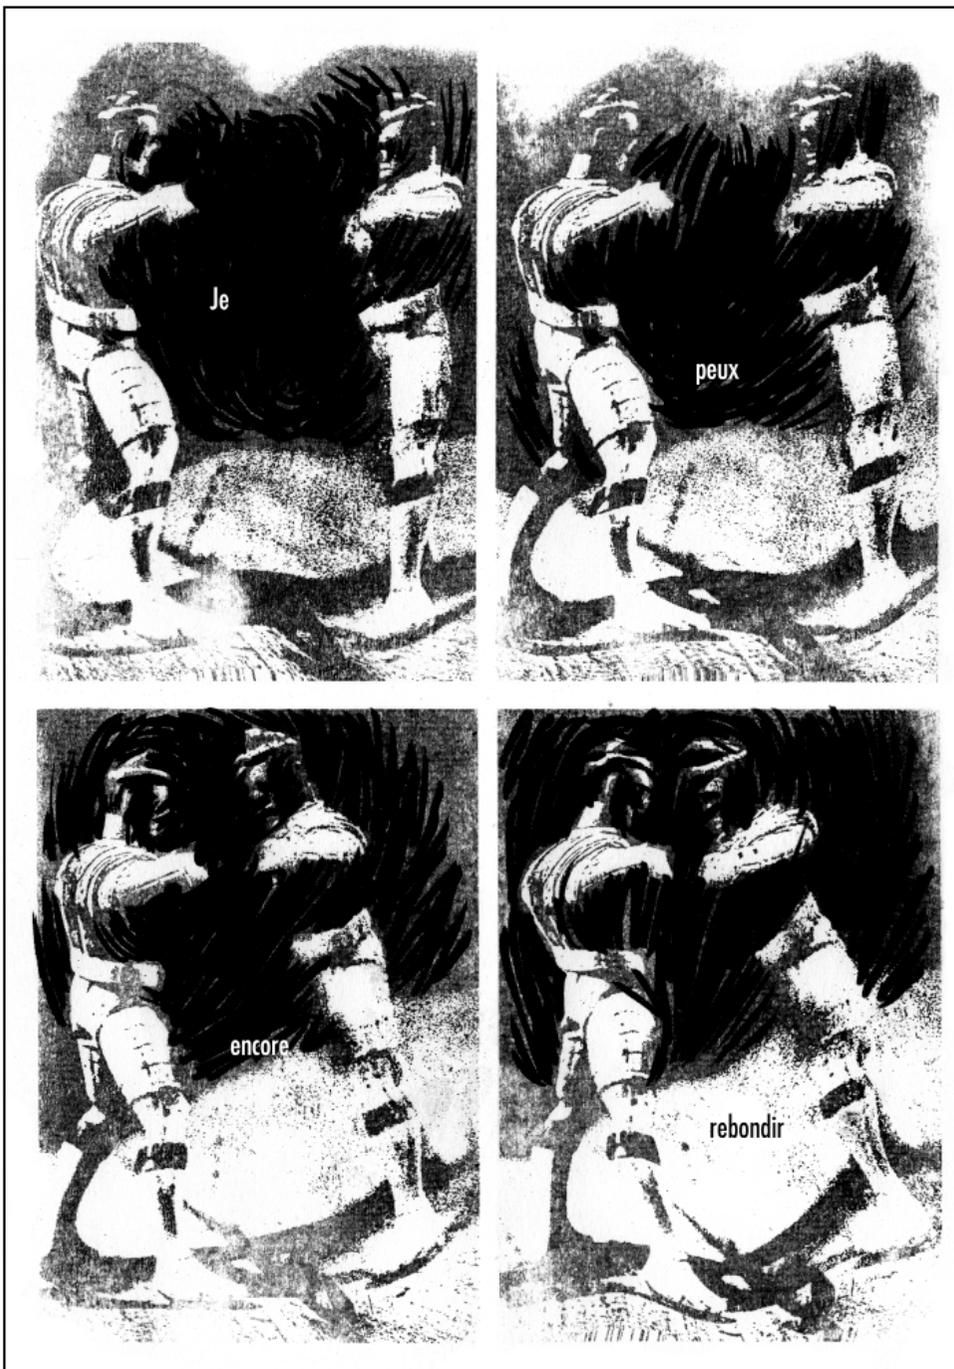

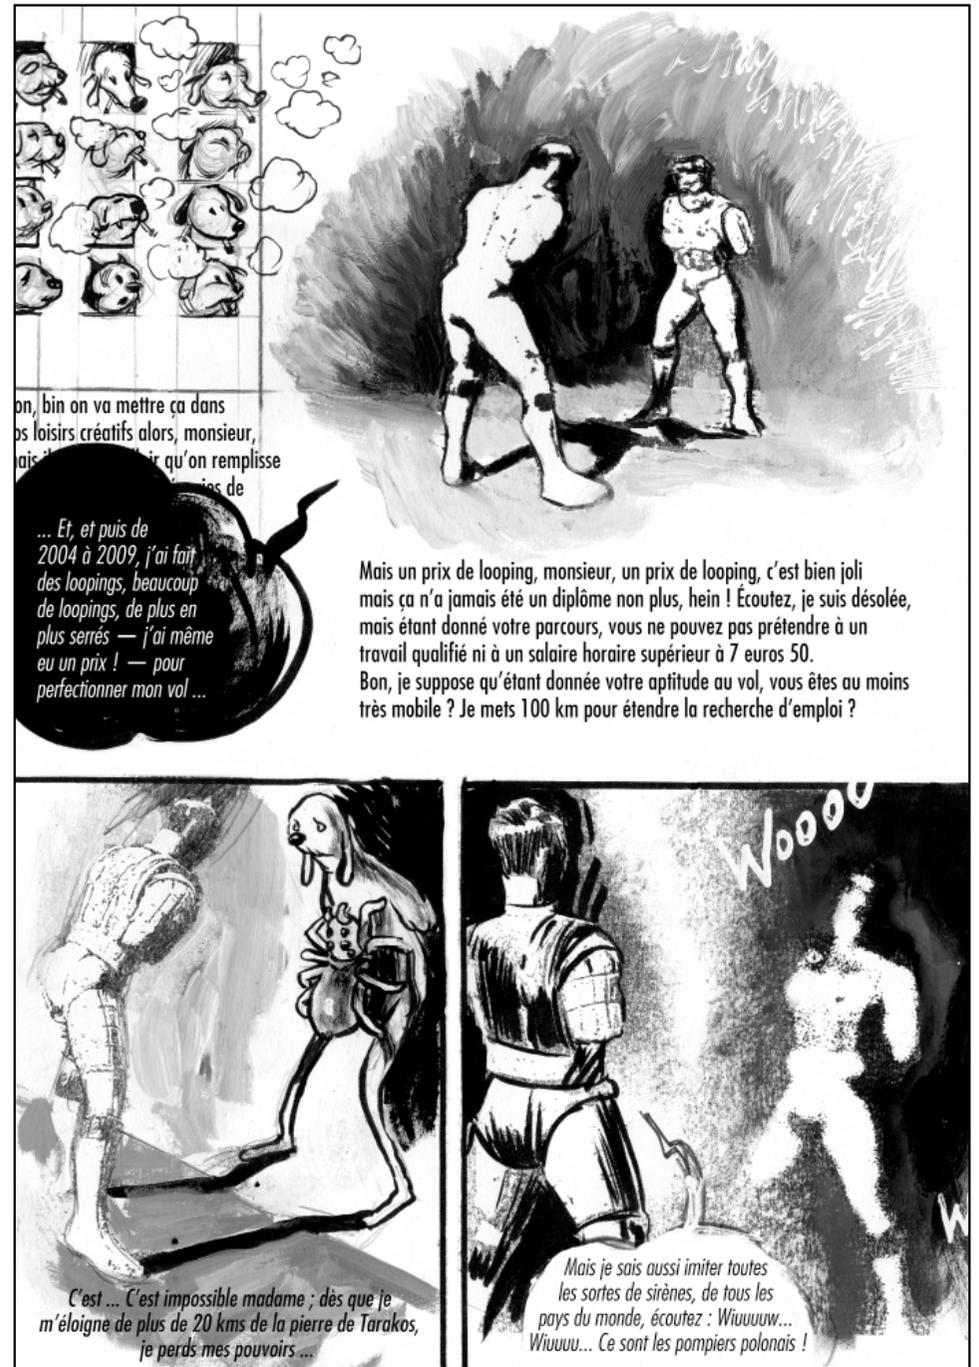

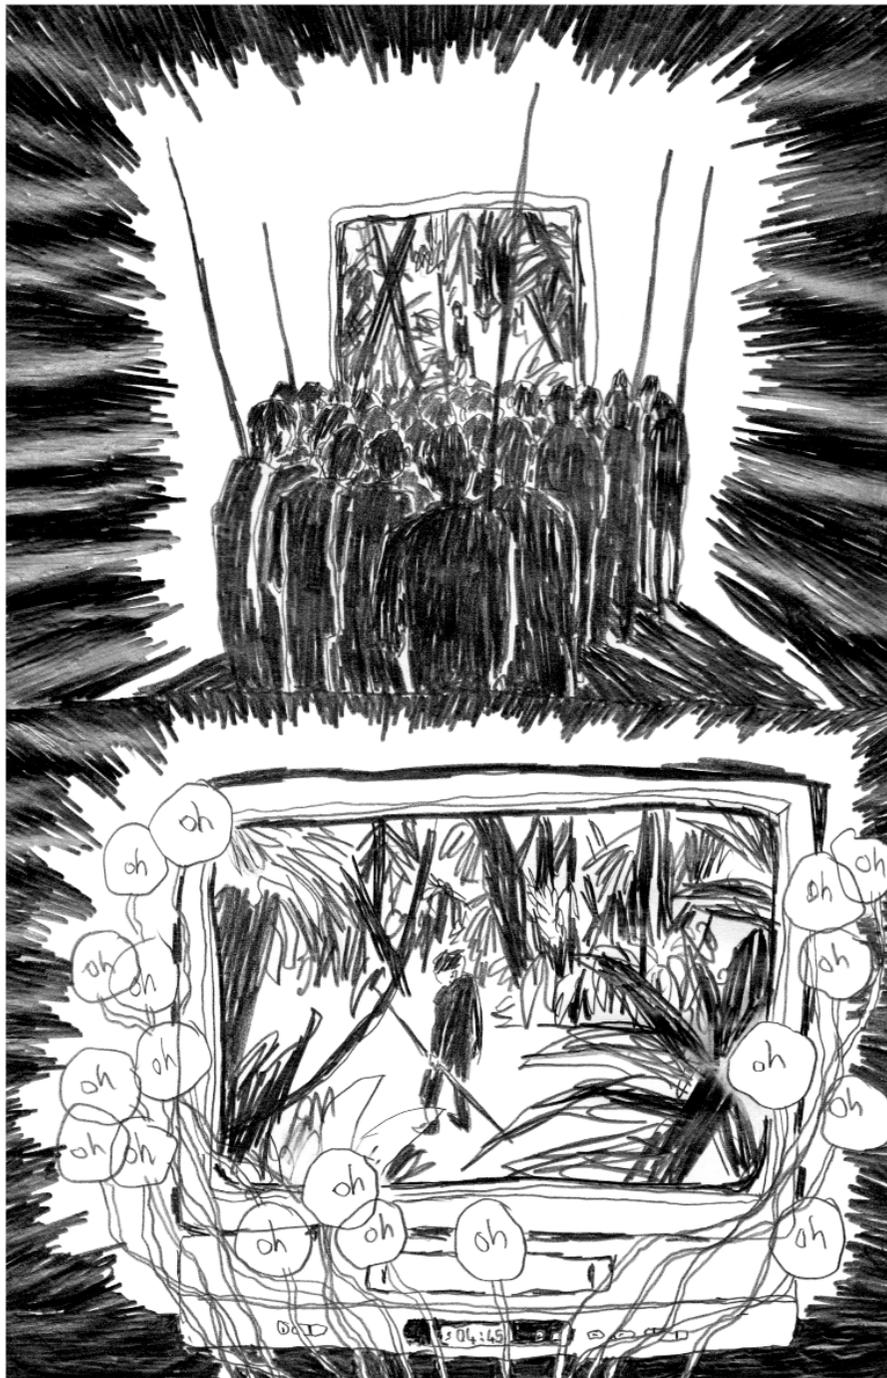

## UN ESTHÈTE

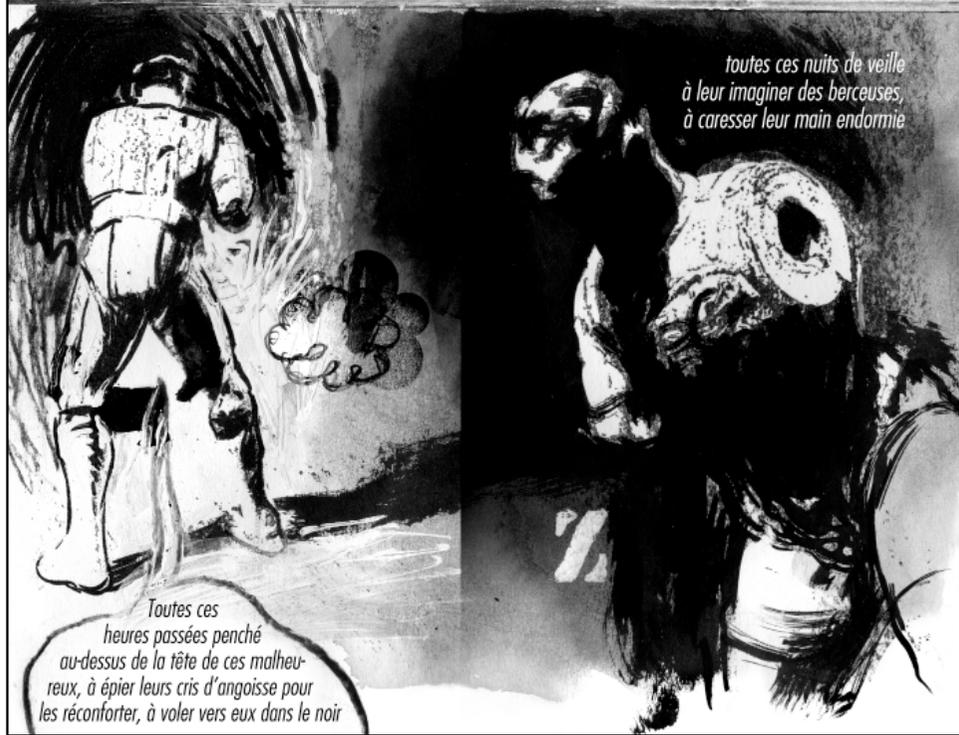

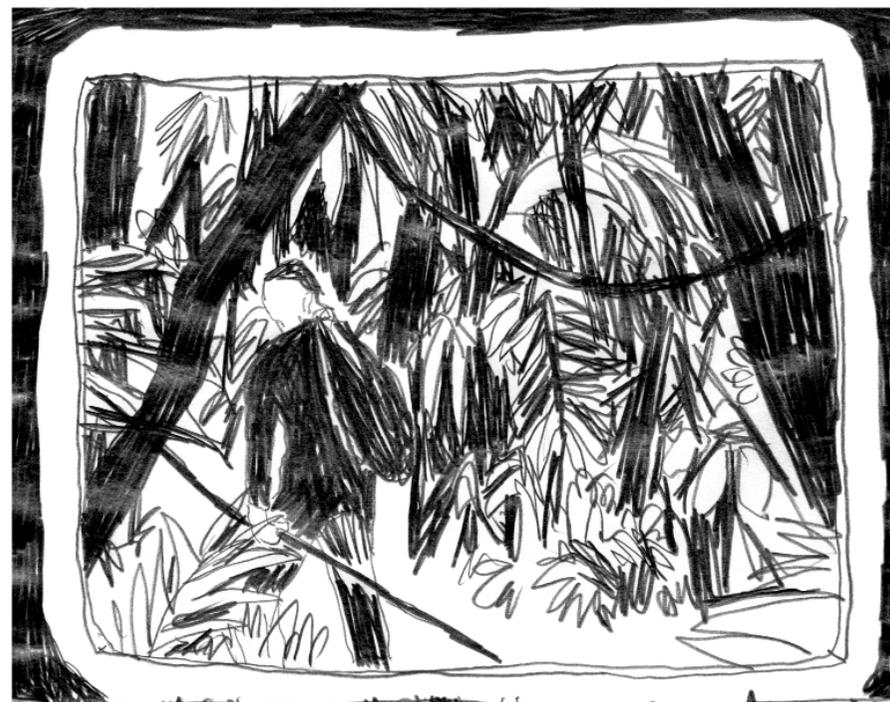

**SHAAZA!**  
Merde, j'ai aucune raison d'avoir honte, quoi !  
C'est pas comme si c'était que dalle d'avoir  
été Gardien de la Sérénité Nocturne pendant 25 ans !  
Peut-être qu'ils l'ignorent à Pôle Emploi,  
mais j'ai un nom dans mon milieu !  
On a de la considération pour moi !

toutes ces nuits de veille  
à leur imaginer des berceuses,  
à caresser leur main endormie

Toutes ces  
heures passées penché  
au-dessus de la tête de ces malheu-  
reux, à épier leurs cris d'angoisse pour  
les reconforter, à voler vers eux dans le noir

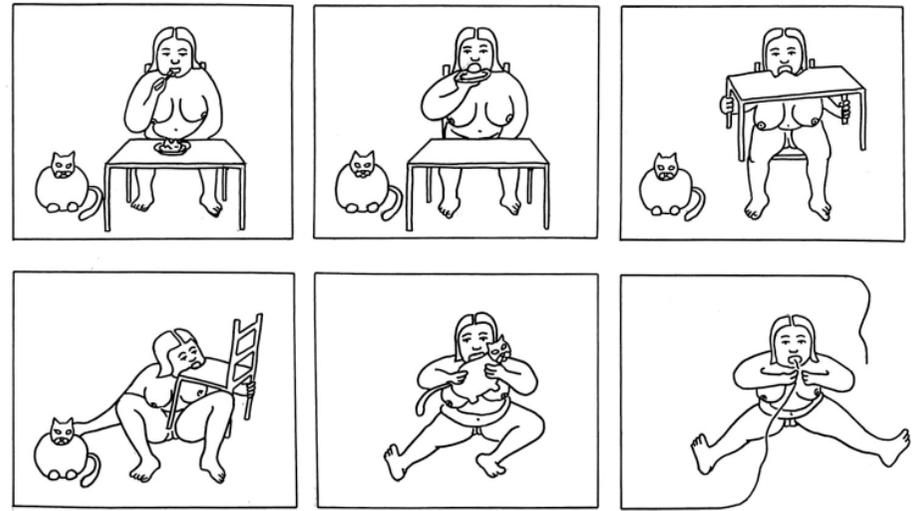

c'est une  
haute  
trahison
